

IS YOUR BABY SAFE?

Babies die from Sudden Infant Death Syndrome (SIDS) every year in Anne Arundel County.

3 THINGS you can do!

1. KEEP BABIES ON THEIR BACKS
2. USE A SAFE CRIB AND BEDDING
3. KEEP A SMOKE-FREE HOME

Get FREE information on safe sleeping, pregnancy and parenting. Go to www.aahealthybabies.org or call 410-222-7223 for your Healthy Pregnancy and Baby Care Kits!
